

# Simple. Pure. Clean.™

## All Natural Non Toxic Biodegradable Cleaning Products

### Simple. Pure. Clean.™

Provides ecologically safe cleaning products provide a powerful yet safe answer to consumer demands. Our exclusive products combine all-natural non-toxic ingredients for a powerful and effective alternative to mainstream cleaners and to promote environmental health.

### Tested to be 100% Effective...

An independent lab tested the Simple. Pure. Clean. All Purpose cleaner to be effective to standard ASTM-4499. Simple. Pure. Clean. cleaning products use a combination of vegetable based surfactants for cleaning and pure essential oils for aroma therapeutic benefits. It is both effective and safe to use.
